

Directions to Tsinghua SEM (School of Economics and Management)

- Tsinghua SEM is located close to the East Gate of Tsinghua campus (清华东门). Its two buildings, Weilun (伟伦楼) and Shunde (舜德楼), are the fourth building complex on the left if you go straight north through the East Gate. It is a 3-minute walk from East Gate to Tsinghua SEM.
- The red arrows in the map below indicate the driving route on Tsinghua campus to Shunde Building. A visiting car's plate number is required by the University in advance to clear the traffic control on campus.
- Beijing's subway (地铁) and light rail (轻轨) systems are your tickets to avoid massive city gridlock. Wu Dao Kou (五道口) is the closest light rail stop to Tsinghua SEM. Turn right at the second traffic light west of the Wu Dao Kou station and go north for the East Gate of Tsinghua.
- Taxi in Beijing runs at RMB ¥2.00 per kilometer. It costs less than RMB ¥100 (highway toll included) from the Beijing International Airport to the East Gate of Tsinghua.
