## Chinese Government Scholarship (CGS)

The full CGS covers tuition, on-campus accommodation and medical insurance and provides monthly stipend. For more information and application, please check [https://www.campuschina.org/content/details3\\_74776.html](https://www.campuschina.org/content/details3_74776.html)

Please note that CGS applicants should firstly apply and pass the Tsinghua MBA Programs interview and get pre-admission, otherwise, the CGS applications alone cannot be accepted by our Programs. Since the CGS application ends early every year, we strongly recommend applicants apply Round 1 or 2 of Tsinghua MBA admissions.

## Tuition Scholarship

Tsinghua University Tuition Scholarship is merit-based. Candidates are nominated by the school after passing the Tsinghua MBA Programs interview and getting pre-admission with outstanding performance. It covers partial tuition fees for the duration of one academic year for freshmen.

## MBA Program Scholarships

Tsinghua MBA Programs provide scholarships to applicants based on their interview performance and comprehensive evaluation, which cover up to the full cost of tuition.
